OYSTER BAY

Today's casual transitional styling blends lighter wood tones, natural textures and relaxed shades of ivory, taupe and gray, with designs that embody a feeling of laid-back sophistication. Oyster Bay offers a casual, comfortable and understated interpretation of luxe living.

Designs feature an eclectic mix of traditional elements like button-tufting, breakfront profiles and turned legs with more transitional features such as geometric metal bases, burnished stainless steel tops and natural materials including rush seats and water hyacinth frames.

Pulling the look together is a sophisticated oyster finish over the graceful lines of quartered mahogany, lightly distressed, with custom hardware in an antique pewter finish. Getting away will always have its place, but nothing feels as good as returning to the comforts of home.

CARING FOR YOUR FURNITURE

WOOD

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish - always rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol), and abrasives.

ANTIQUED BRASS AND METAL

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly - do not use a brass cleaner (it will damage the lacquer)

UPHOLSTERY
